## DWAYNE CHRISTIAN BROWN, JR. ("CHRIS")

EDUCATION  North Carolina State University	2015 - presen
Ph.D. in Computer Science, Advisor: Chris Parnin	2010 - presen
North Carolina State University	2015 - 201
M.S. in Computer Science	2010 - 201
Duke University	Class of 201
B.S. in Computer Science, with Distinction	C1a55 01 201
Minor in African and African American Studies	
HONORS AND AWARDS	
NSF Travel Award	March 2019
NC State Graduate Merit Award	August 2015
Computer Science Undergraduate Research Fellowship (CSURF)	2012 - 2013
Goldman Sachs Research Scholar	Summer 2012
Duke University LeaderShape	Summer 2012 Summer 2012
CRA Distributed Research for Undergraduates (DREU)	Summer 2012 Summer 2011
EXPERIENCE	Summer 2011
$\underline{Industry}$	
Quality Engineering Intern Red Hat	Summer 2017, 2018
Verified bugs, automated tests, and performed other quality tasks for Red H.	at Satellite
	0 2016
Software Quality Engineer Intern Blackbaud	
Software Quality Engineer Intern Blackbaud Fixed bugs, documentation, and used AppDynamics to build a dashboard for	r Online Express
Software Quality Engineer Intern Blackbaud Fixed bugs, documentation, and used AppDynamics to build a dashboard for Bank of America Charlotte, NC	2013 - 2015
Software Quality Engineer Intern Blackbaud Fixed bugs, documentation, and used AppDynamics to build a dashboard for Bank of America Charlotte, NC Python developer coding, maintaining, and testing code for the Manual Adj	r Online Express 2013 - 2015
Software Quality Engineer Intern Blackbaud Fixed bugs, documentation, and used AppDynamics to build a dashboard for Bank of America Charlotte, NC Python developer coding, maintaining, and testing code for the Manual Adj <u>Research:</u>	r Online Express 2013 - 2015 justment Tool application
Software Quality Engineer Intern Blackbaud Fixed bugs, documentation, and used AppDynamics to build a dashboard for Bank of America Charlotte, NC Python developer coding, maintaining, and testing code for the Manual Adj  Research: Research Assistant North Carolina State University	r Online Express 2013 - 2015 justment Tool application August 2016 - present
Software Quality Engineer Intern Blackbaud Fixed bugs, documentation, and used AppDynamics to build a dashboard for Bank of America Charlotte, NC Python developer coding, maintaining, and testing code for the Manual Adj  Research: Research Assistant North Carolina State University Improving development tool recommendations with Drs. Chris Parnin and E	r Online Express 2013 - 2015 justment Tool application August 2016 - present Emerson Murphy-Hill
Software Quality Engineer Intern Blackbaud Fixed bugs, documentation, and used AppDynamics to build a dashboard for Bank of America Charlotte, NC Python developer coding, maintaining, and testing code for the Manual Adj  Research: Research Assistant North Carolina State University Improving development tool recommendations with Drs. Chris Parnin and E Independent Study North Carolina State University	r Online Express  2013 - 2015 justment Tool application  August 2016 - present Emerson Murphy-Hill August - December 2016
Software Quality Engineer Intern Blackbaud Fixed bugs, documentation, and used AppDynamics to build a dashboard for Bank of America Charlotte, NC Python developer coding, maintaining, and testing code for the Manual Adj  Research: Research Assistant North Carolina State University Improving development tool recommendations with Drs. Chris Parnin and E Independent Study North Carolina State University Automated program repair and CS education researcher with Dr. Guoliang A	r Online Express  2013 - 2015 justment Tool application  August 2016 - present Emerson Murphy-Hill August - December 2016 Jin
Software Quality Engineer Intern Blackbaud Fixed bugs, documentation, and used AppDynamics to build a dashboard for Bank of America Charlotte, NC Python developer coding, maintaining, and testing code for the Manual Adj  Research: Research Assistant North Carolina State University Improving development tool recommendations with Drs. Chris Parnin and E Independent Study North Carolina State University Automated program repair and CS education researcher with Dr. Guoliang . Undergraduate Research Fellow Duke University	r Online Express 2013 - 2015 justment Tool application August 2016 - present Emerson Murphy-Hill August - December 2016 Jin May 2012 - May 2013
Software Quality Engineer Intern Blackbaud Fixed bugs, documentation, and used AppDynamics to build a dashboard for Bank of America Charlotte, NC Python developer coding, maintaining, and testing code for the Manual Adj Research: Research Assistant North Carolina State University Improving development tool recommendations with Drs. Chris Parnin and E Independent Study North Carolina State University Automated program repair and CS education researcher with Dr. Guoliang . Undergraduate Research Fellow Duke University Computer Science education researcher with Dr. Susan Rodger through Duke	r Online Express  2013 - 2015 justment Tool application  August 2016 - present Emerson Murphy-Hill August - December 2016 Jin  May 2012 - May 2013 se CSURF
Software Quality Engineer Intern Blackbaud Fixed bugs, documentation, and used AppDynamics to build a dashboard for Bank of America Charlotte, NC Python developer coding, maintaining, and testing code for the Manual Adj  Research: Research Assistant North Carolina State University Improving development tool recommendations with Drs. Chris Parnin and E Independent Study North Carolina State University Automated program repair and CS education researcher with Dr. Guoliang . Undergraduate Research Fellow Duke University	r Online Express  2013 - 2015 justment Tool application  August 2016 - present Emerson Murphy-Hill August - December 2016 Jin  May 2012 - May 2013 te CSURF  May - August 2011
Software Quality Engineer Intern Blackbaud Fixed bugs, documentation, and used AppDynamics to build a dashboard for Bank of America Charlotte, NC Python developer coding, maintaining, and testing code for the Manual Adj  Research: Research Assistant North Carolina State University Improving development tool recommendations with Drs. Chris Parnin and E Independent Study North Carolina State University Automated program repair and CS education researcher with Dr. Guoliang . Undergraduate Research Fellow Duke University Computer Science education researcher with Dr. Susan Rodger through Duk Undergraduate Researcher Brown University Robotics researcher with Dr. Chad Jenkins through the CRA DREU program	r Online Express  2013 - 2015 justment Tool application  August 2016 - present Emerson Murphy-Hill August - December 2016 Jin  May 2012 - May 2013 te CSURF  May - August 2011
